

### How to install FAFSA Day Button:

- Ask IT to include the graphic below on the site.
- To obtain graphic:
  - Right click image below
  - Choose “Save As Picture”
  - Name the image something you will remember like FAFSA Day Button
  - Note: the image will save as PNG. If JPEG is needed, follow instructions above, but before clicking save, change “Save as type” located directly below “file name.” Click the drop-down menu and choose JPEG.
- Also ask for IT to link the graphic to  
<[https://www.cfnc.org/pay/fafsa\\_day.jsp](https://www.cfnc.org/pay/fafsa_day.jsp)>
- Graphic **must** be linked to url for button to work.
- The code for this wrapped image is  
<a href="<https://www.cfnc.org/fafsaday>" target="new"></a>

Ultimately, students should be able to click the graphic on the website and be directed to the registration page.

Please test link when it appears on your site to ensure it works.
