Dear Parents and Students,

Welcome to the 2018-2019 school year! I am truly grateful and excited to be the principal of Bear Grass Charter School. BGCS is beginning its 7<sup>th</sup> academic year and it has an impressive history and reputation, the staff and I look forward to continue to build upon its culture and accomplishments. Providing the best for our students requires hard work and consistent assessments of how we are progressing. Part of that process includes rigorous instruction, student engagement, effective collaboration and communication among students, parents, teachers, and stakeholders.

My responsibility as the principal is to ensure your child receives a quality education that will prepare him/her for college, career, and life readiness in a safe and conducive environment. Please feel free to contact me at the school with any questions, concerns, or just to introduce yourself. Your involvement and partnership is vital in the education of your child and the advancement of the school. Parents and students please visit our website at [www.beargrasscharter.org](http://www.beargrasscharter.org) to review student packet information for the 2018-2019 academic school year.

For the students, I ask that you reflect on your goals and strive to do your best every day. The Bear Grass Charter School staff is here to support and encourage you as you explore different opportunities and grow as inquisitive learners. Students will be supportive of one another and treat all members of our school with respect.

I believe that the foundation of our future accomplishments will still center upon providing our students with academic experiences that are challenging, relevant, and build lasting relationships. It is important that everyone who steps through our doors is excited to be here! This attitude will allow us to embrace and meet the challenges of academic excellence in a positive and nurturing environment.

Your child's schedule for the upcoming school year has been included. This schedule reflects both student choice and course availability. Mrs. Maren Modlin, Guidance Counselor, and administration will be working through all requests for class changes during the first few days of school. Students may send a request via email to Maren Modlin at [mmodlin@beargrasscharterschool.org](mailto:mmodlin@beargrasscharterschool.org) beginning on August 7<sup>th</sup>, 2018.

I look forward to working with you and the community to meet the needs of all our students.

Sincerely,

Donna Moore
