Dear Parent and/or Guardian:

This school year, Bear Grass Charter School will be receiving Federal Title I funds to assist students in meeting state achievement standards. Throughout the school year, we will be providing you with important information about this law and your child's education.

We are pleased to notify you that in accordance with the *Every Student Succeeds Act of 2015*, you have the right to request information regarding the professional qualifications of your child's teacher. At Bear Grass Charter School we are very proud of our teachers and we feel they are prepared to give your child a high-quality education. As a charter school we are required to staff at least 50% certified/licensed teachers. We are pleased to say that 100% of our teaching staff hold a teaching license. Three of our teachers are currently teaching out of their licensure area. As a Title I School, we must meet federal regulations related to teacher qualifications as defined in the ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. Specifically, you may request the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria has been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to receive this information, please complete the top portion of the back of this form, and return the form to Bear Grass Charter School. Should you have any questions, feel free to contact Ms Donna Moore at (252-789-1010 ext. 108), and she will be happy to assist you.
