Dear Parent/Guardian:

We share a responsibility to ensure your child is on track for college and career readiness. With PreACT®, you can get useful information to help your child choose the right high school courses, think about ways to work on areas for improvement, and even begin discussions about their college and career interests.

The North Carolina Department of Public Instruction is administering the PreACT assessment to all tenth grade students. Bear Grass Charter School will administer this test on November 2, 2021.

We're confident your child will do their best. This is an opportunity to see your student's potential performance on the ACT® test. To learn more about the test, visit act.org/preact or contact Maren Modlin at mmodlin@beargrasscharter.org

Regards,

Maren Modlin
