

What is a Multi-Tiered System of Supports (MTSS)?

MTSS is a multi-tiered framework which promotes school improvement through engaging, research-based academic and behavioral practices. NC MTSS employs a systems approach using data-driven problem solving to maximize growth for all.

NC Definition of MTSS

NC MTSS is a school improvement framework which encompasses academic, behavioral, and social and emotional instruction and support. NC MTSS employs a systems approach using data-driven problem-solving to maximize growth for all.

NC Vision of MTSS

Every NC Pre K - 12 public education system implements and sustains all components of a Multi-Tiered System of Support.

Belief of MTSS

We believe that NC MTSS is the most effective and efficient approach to improving district, school, and student outcomes thereby ensuring a sound basic education for all.

Mission of MTSS

The division will prepare and support LEAs to implement and sustain a multi-tiered system of support through professional development, technical assistance, and resources aligned with the six critical components of NC MTSS that result in a sound, basic education for every child in North Carolina Public Schools.
